

2009
CRF230F

*The CRF230F.
Honda's biggest
off-road fun bike.*

CRF230F Throw your leg over the saddle of the CRF®230F, push the electric starter, and have a blast. You don't have to worry about extensive time-sapping maintenance—with a minimum of care, you can jump on the CRF230F with its durable six-speed transmission and long travel suspension and leave the on-road world in the dust. With its overall size, sturdy frame and lightweight components, the CRF230F is just the right size for adults or larger teens who can't wait to take on the twists and turns of the trail. The CRF230F. One of the most versatile bikes you'll ever ride.

Red

UNIQUE FEATURES

- Dependable 223cc single-cylinder air-cooled four-stroke engine offers plenty of user-friendly power and torque spread over a wide-rpm range.
- Electric start makes getting going a snap.
- Maintenance-free CD ignition.
- Heavy-duty clutch offers smooth, progressive engagement.
- Smooth-shifting, versatile six-speed transmission.
- Heavy-duty O-ring-sealed chain for durability and reduced maintenance.
- Box-section aluminum swingarm for light weight and strength.
- Lightweight semi-double-cradle, high-tensile steel frame for durability.
- Powerful 240mm front disc brake.

ENVIRONMENTAL COMMITMENT

At Honda, we believe in performance and leadership, and that's why we're taking a leadership position when it comes to the environment. We continue to develop low-emission technologies for our current and future motorcycles, ATVs, scooters and personal watercraft. And that's the kind of performance everybody can appreciate.
