

2009  
**CRF70F**

*Choosing a dirtbike  
is a matter of your  
rider's size and ability.  
But when you choose  
a CRF<sup>®</sup>70F, quality is  
never an issue.*

**CRF70F** One size up from our legendary CRF50F, the CRF70F is going to fit your young Red Rider a little better if he—or she—is a little taller. They'll also be riding along on suspension that's a bit more heavy duty. One thing that doesn't change, though, is the CRF70F's three-speed semi-automatic transmission. Your young rider learns about shifting thanks to the three forward speeds, but since there's no clutch-lever they can't stall the bike. That means less frustration, more learning, and more fun! Like all our CRF/F models, the rugged Honda four-stroke engine is reliable, needs minimal service, and most of all you can count on it for no-hassle performance. So going riding is fun for you too, because you can count on the CRF70F to be ready when you are.

## FEATURES

Red

## UNIQUE FEATURES

- Fuel-efficient SOHC 72cc four-stroke engine offers easy-to-use power and a high level of dependability.
- Three-speed constant-mesh transmission with automatic clutch-lever for easy takeoffs and shifting.
- Smooth-action 27mm front fork provides 3.2 inches of suspension travel for confident control over rugged trails.
- Triangulated swingarm with single shock is durable and offers 3.5 inches of rear wheel travel.
- Keyed ignition switch provides added security.
- Small and lightweight feel combines with low seat height to inspire confidence in younger riders.
- Tough and durable body parts.
- Transferable six-month limited warranty; extended coverage available with a Honda Protection Plan.

## SPECIFICATIONS

Seat Height	26.1 inches
Ground Clearance	7.0 inches
Curb Weight	139 pounds
Fuel Capacity	1.3 gallons, including 0.3- gallon reserve

### DRIVETRAIN

Transmission	Three-speed with automatic clutch
--------------	-----------------------------------

### FACTORY WARRANTY

6 Months	Coverage of defects in materials and workmanship
----------	--

## ENVIRONMENTAL COMMITMENT

At Honda, we believe in performance and leadership, and that's why we're taking a leadership position when it comes to the environment. We continue to develop low-emission technologies for our current and future motorcycles, ATVs, scooters and personal watercraft. And that's the kind of performance everybody can appreciate.

Parents need to consider their youngster's age, size, ability and maturity before allowing them to ride. Designed exclusively for off-road operator-only use. Always wear a helmet, eye protection and protective clothing whenever you ride. Never ride under the influence of drugs or alcohol. Always obtain written permission before riding on private land. Whenever you ride off-road, follow the "Tread Lightly" guidelines, and always keep on established trails in approved riding areas. Use common sense, keep your riding area clean, respect the rights of others when you ride, and never modify your motorcycle's silencer, exhaust system or spark arrestor.
