

2009  
**XR650L**

*If you're looking for  
one bike that can do it  
all, you're looking for a  
Honda XR650L.*

**XR650L** It seems like the rest of the world has suddenly discovered—or should we say rediscovered—what real motorcyclists knew all along: Not only is a dual-sport bike a ton of fun, it just plain makes a lot of sense too. Especially Honda's XR™ 650L, a machine that can do it all. The 650-class engine is big enough to take you anywhere, from high mountain passes to freeway commutes. It's super tough, and since it's a Honda you know it's reliable. Parking is a breeze, and upkeep is minimal. A bike like the Honda XR650L lets you go just about anywhere and do just about anything. In short, it offers you the best of both on- and off-road riding and sensible transportation 1/m all at a great price too.

## UNIQUE FEATURES

- 644cc SOHC four-stroke engine produces power and torque ideally suited for both on- and off-road riding.
- Radial Four-valve Combustion Chamber (RFVC) allows excellent combustion and high power output.
- Reliable electric starter system allows for easy push-button starting.
- Gear-driven counterbalancer minimizes bothersome tiring vibration.
- Semi-double-cradle steel frame is lightweight, strong and offers precise handling manners.
- 43mm XR-spec Showa® cartridge fork features 16-position compression damping adjustability and superb off-road performance.
- Pro-Link® rear suspension offers 11 inches of travel for a plush ride both on- and off-road .
- Front and rear disc brakes offer superb stopping power.
- Aggressive, dual-purpose front and rear tires offer excellent performance both on- and off-road.

----------	--

## ENVIRONMENTAL COMMITMENT

At Honda, we believe in performance and leadership, and that's why we're taking a leadership position when it comes to the environment. We continue to develop low-emission technologies for our current and future motorcycles, ATVs, scooters and personal watercraft. And that's the kind of performance everybody can appreciate.

Always wear a helmet, eye protection and protective clothing whenever you ride. Never ride under the influence of drugs or alcohol, and never use the street as a racetrack. Inspect your motorcycle before riding and read your owner's manual. Whenever you ride off-road, make sure follow all the "TREAD LIGHTLY" guidelines, and always stay on established trails in approved areas. Keep your riding areas clean and respect the rights of others. Obey the law, use common sense when you ride, and make sure you have a proper license when riding on public roads. Always obtain written permission before riding on private lands. Operating your motorcycle with a modified engine, exhaust system or noise-control system may be illegal.
